## **1. INTRODUCTION**

### **1.1 AUTHORITY**

Under the authority by the Planning and Development Act, 2007, the Mayor and Council of the Village of Borden in the Province of Saskatchewan, in open meeting, hereby enact as follows:

### **1.2 TITLE**

This Bylaw shall be known and may be cited as the “Zoning Bylaw” of the Village of Borden.

### **1.3 PURPOSE**

**1.3.1** The purpose of this Bylaw is to regulate development and to control the use of land in the Village of Borden in accordance with the District Plan Bylaw No. 09-2014 and Official Community Plan Bylaw No. 4-2017.

**1.3.2** The intent of this Zoning Bylaw is to provide for the amenity of the area within the Village of Borden (hereinafter referred as to the Village) and for the health, safety, and general welfare of the inhabitants of Borden and area:

- a. To minimize land use conflicts;
- b. To establish minimum standards to maintain the amenity of the Village;
- c. To ensure development is consistent with the physical limitations of the land;
- d. To restrict development that places undue demand on the Village for services; and
- e. To provide for land-use and development that is consistent with the goals and objectives of the Village.

### **1.4 SCOPE**

This Bylaw applies to all land included within the boundaries of the Village of Borden. All development within the limits of the Village of Borden shall hereafter conform to the provisions of this Bylaw.

### **1.5 SEVERABILITY**

A decision of a Court that one or more of the provisions of this Bylaw are invalid in whole or in part does not affect the validity, effectiveness, or enforceability of the other provisions or parts of the provisions of this Bylaw.

## 2. DEFINITIONS

### **3. ADMINISTRATION AND INTERPRETATION**

#### **3.1 DEVELOPMENT OFFICER**

**3.1.1** The Village Administrator of the Village of Borden shall be the Development Officer responsible for the administration of this Bylaw and in their absence by such other employee of the Municipality as the Council designates from time to time.

**3.1.2** The Development Officer shall:

- a. Receive, record, and review development permit applications and issue decisions in consultation with Council, particularly those decisions involving subdivision, discretionary uses, development permit conditions, and development and servicing agreements;
- b. Maintain, for inspection by the public during office hours, a copy of this Bylaw, zoning maps and amendments, and ensure that copies are available to the public at a reasonable cost;
- c. Make available, for public inspection during office hours, a register of all development permits and subdivision applications and decisions;
- d. Collect development fees, according to the fee schedule established in this Bylaw or any other Development Fee Bylaw adopted by the Village;
- e. Perform other duties as determined by Council.

**3.1.3** The Development Officer shall be empowered to make a decision regarding a Development Permit application for a "Permitted use."

#### **3.2 COUNCIL**

**3.2.1** Council shall make all decisions regarding Discretionary uses, Development and Servicing Agreements, and Zoning Bylaw amendments.

**3.2.2** Council shall make a recommendation regarding all subdivision applications circulated to it by Saskatchewan Ministry of Government Relations, prior to a decision being made by the Minister.

**3.2.3** Council shall act on discretionary use, rezoning, and subdivision applications in accordance with the procedures established by *The Planning and Development Act, 2007* and in accordance with the District Plan and Official Community Plan.

#### **3.3 APPLICATION FOR A DEVELOPMENT PERMIT**

**3.3.1** Unless the proposed development or use is exempt from Development Permit requirements, before commencing any principal or accessory use development, including a public utility use, every developer shall:

- a. Complete and submit a Development Permit application, and,
- b. Receive a Development Permit for the proposed development.

**3.3.2** A Development Permit shall not be issued for any use in contravention of any of the provisions of this Bylaw and the District Plan and Official Community Plan.

**3.3.3** Except where a particular development is specifically exempted by Section 3.4 of this Bylaw, no development or use shall commence without a Development Permit first being obtained.

### **3.4 DEVELOPMENT NOT REQUIRING A PERMIT**

#### **3.4.1 RESIDENTIAL ZONING DISTRICTS**

- a. Buildings and structures under 9.0 m<sup>2</sup> in area, which are accessory to a principal, residential use except where such dwelling is a discretionary use.
- b. The television antennae, or radio antennae.
- c. Relocation or the installation of fences or accessory building provided development standards are still met on the site.

#### **3.4.2 COMMERCIAL ZONING DISTRICTS**

- a. Buildings and structures that are accessory to a permitted, principal, commercial use, except where such use is discretionary.
- b. A temporary building, the sole purpose of which is incidental to the erection or alteration of a building for which a building permit has been granted.

Uses and buildings undertaken, erected, or operated by the Village of Borden.

#### **3.4.4 INTERNAL ALTERATIONS**

##### **3.4.4.1 Residential Buildings**

- a. Internal alterations to a residential building, provided that such alterations do not result in a change of use or an increase in the number of dwelling units within the building or on the site;

##### **3.4.4.2 All Other Buildings**

- b. Internal alterations and maintenance to other buildings, including mechanical or electrical work, provided that the use, or intensity of use of the building, does not change.

#### **3.4.5 LANDSCAPING**

Landscaped areas, driveways and parking lots, provided the natural or designed drainage pattern of the site and adjacent sites are not adversely impacted.

### **3.5 INTERPRETATION**

- a. Where any provision of this Bylaw appears unclear, Council shall make the final Bylaw interpretation.
- b. All Bylaw requirements shall be based on the stated metric units. The imperial units shown in this Bylaw shall be approximate guidelines only.

### **3.6 COMPREHENSIVE DEVELOPMENT REVIEWS**

- 3.6.1** A comprehensive development review shall be completed prior to consideration of an application by Council by any person proposing to rezone land for multi-parcel (greater than 4 parcels) residential, commercial or industrial purposes. The purpose of this review is to identify and address social, environmental, health and economic issues and to encourage the development of high quality residential, recreational, commercial, and industrial developments. The scope and required detail of the comprehensive development review will be based on the scale and location of the proposed development, and address such areas as the following:
  - a. Proposed land use(s) for various parts of the area;

- b. The effect on adjacent land uses and integration of the natural landscape regarding the planning and design of the area;
- c. The location of, and access to, major transportation routes and utility corridors;
- d. The provision of services respecting the planning for future infrastructure within the Municipality;
- e. Sustainable development and environmental management practices regarding surface and groundwater resources, storm water management, flooding and protection of significant natural areas;
- f. Appropriate information specific to the particular land use (residential, commercial or industrial).

**3.6.2** The comprehensive development permit must be prepared in accordance with the overall goals and objectives of the Redberry Lake Biosphere Reserve District Sustainability Plan. Council shall not consider any development application until all required information has been received. The responsibility for undertaking all technical investigations and hosting public meetings as required shall be borne solely by the applicant.

### **3.7 DEVELOPMENT PERMIT PROCEDURE**

**3.7.1** Where an application for a Development Permit is made for a permitted use in conformity with this Bylaw, *The Planning and Development Act, 2007*, and all other Village Bylaws, the Council shall hereby direct the Development Officer to issue a Development Permit.

**3.7.2** As soon as an application has been made for a development permit and prior to making a decision, the Development Officer may refer the application to whichever government agencies or interested groups Council may consider appropriate. The Development Officer may also require the application to be reviewed by planning, engineering, legal, or other professionals, with the cost of this review to be borne by the applicant.

**3.7.3** A copy of all approved development permit applications, involving the installation of water and sanitary services, shall be sent to the local District Health Region.

**3.7.4** Upon approval of a permitted or accessory use, the Development Officer shall issue a development permit for the use at the location and under such terms and development standards specified by the Redberry Lake Biosphere Reserve District Plan Bylaw No. 09-2014 and this Bylaw.

**3.7.5** The applicant shall be notified in writing of the decision of their application. The applicant shall be advised of their right to appeal a decision to the Development Appeals Board on a permitted or accessory use application and any terms and conditions attached to an application.

**3.7.6** A building permit, where required, shall not be issued unless a development permit has been issued, or is issued concurrently.

### **3.8 DISCRETIONARY USE APPLICATION PROCEDURE**

**3.8.1** The following procedures shall apply to discretionary use applications:

- a. Applicants must file with the Development Officer the prescribed application form, a site plan, any other plans and supplementary information as required by the Development Officer and pay the required application and public hearing fees.
- b. The application will be examined by the Development Officer for conformance with the Plan, this Bylaw, and any other applicable policies and regulations and shall advise the Council as soon as practical.
- c. Council may refer the application to whichever government agencies or interested groups, as Council may consider appropriate. Council also may require the application to be reviewed by planning, engineering, legal, or other professionals, with the cost of this review to be borne by the applicant.
- d. The Development Officer will give notice by regular mail that the application has been filed to the all residents within 75 meters from the property line in which the subject site is located and provide notification of an upcoming public hearing and an opportunity for them to provide written comment on the proposal.
- e. The Development Officer will prepare a report concerning the application which may contain recommendations, including recommendations that conditions of approval be applied in accordance with Section 54 of *The Planning and Development Act, 2007*.
- f. The Development Officer will set a date for the public hearing at which time the application will be considered by Council and if deemed necessary, provide notice to assessed owners of property indicating so within the information packages provided as part of the notification process.
- g. Council shall consider the application together with the reports of the Development Officer and any written or verbal submissions received by Council.
- h. Council may reject the application or approve the application with or without conditions, including a condition limiting the length of time that the use may be conducted on the site.
- i. The applicant shall be notified of Council's decision by regular mail addressed to the applicant at the address shown on the application form.

**3.8.2** Discretionary uses, discretionary forms of development, and associated accessory uses shall conform to the development standards and applicable provisions of the Zoning District in which they are located.

**3.8.3** The following criteria must be considered in the review of discretionary use applications:

- a. The proposal must be in conformance with all relevant sections of the Plan and Zoning Bylaw;
- b. There must be a demand for the proposed use in the general area, and a supply of land currently available in the area capable of accommodating the proposed use;
- c. The proposal must be capable of being economically serviced including roadways, water and sewer services, and other supportive utilities and community facilities; and

- d. The proposal must not be detrimental to the health, safety, convenience or general welfare of persons residing or working in the vicinity or injurious to property, improvements or potential development in the vicinity.

**3.8.4** In approving a discretionary use application, Council may prescribe specific development standards with respect to that use or form of development, provided those standards are necessary to secure the following objectives:

- a. The proposal, including the nature of the proposed site, the size, shape and arrangement of buildings, and the placement and arrangement of lighting and signs, must be generally compatible with the height, scale, setbacks and design of buildings in the surrounding area, and with land uses in the general area, including safeguards to prevent noise, glare, dust, or odour from affecting nearby properties;
- b. The proposal must provide adequate access and circulation for the vehicle traffic generated, as well as providing an adequate supply of on-site parking and loading spaces.
- c. The proposal must provide sufficient landscaping and screening, and, wherever possible, shall preserve existing vegetation.

**3.8.5** Council may approve a discretionary use application for a limited time period where it is considered important to monitor and re-evaluate the proposal and its conformance with the provisions of this Bylaw.

**3.8.6** Upon approval of a discretionary use by resolution of Council, the Development Officer shall issue a development permit for the discretionary use at the location and under such terms and development standards specified by Council in its resolution.

**3.8.7** Council's approval of a discretionary use application is valid for a period of 12 months from the date of the approval. If the proposed use or proposed form of development has not commenced within that time, the approval shall no longer be valid. The Development Officer shall advise the applicant and Council when a prior approval is no longer valid.

**3.8.8** The applicant shall be notified in writing of the decision of their application. The applicant shall be advised of their right to appeal any terms and conditions attached to a discretionary use application to the Development Appeals Board.

### **3.9 DEVELOPMENT PERMIT: VALIDITY**

**3.9.1** A Development Permit is valid for a period of twelve (12) months.

**3.9.2** Where the Development Officer determines that a development is being carried out in contravention of any condition of a Development Permit or any provision of this Bylaw, the Development Officer shall suspend or revoke the Development Permit and notify the permit holder that the permit is no longer in force.

**3.9.3** Where the Council is satisfied that a development, the permit for which has been suspended or revoked, will be carried out in conformity with the conditions of the Permit and the requirements of this Bylaw the Council may reinstate the Development Permit and notify the permit holder that the permit is valid and in force.

- 3.9.4** The Development Officer shall carry out on behalf of the applicant, the advertisement of the proposed use by posting a notice of the application at the entrance to the property in question and by mailing a copy of the notice to the assessed owner of each abutting property and each assessed owner of property within a 75.0 meter radius of the proposed development.
- 3.9.5** The Development Officer shall publish a notice of the application in accordance with the provisions of *The Planning and Development Act, 2007*, whereby the applicant shall pay to the Municipality a fee equal to the costs associated with the public advertisement.

### **3.10 DEVELOPMENT PERMIT APPLICATION FEES**

- 3.10.1** An applicant seeking the approval of a Development Permit application shall pay the following fee: \$100.00 or shall pay the required fee as set out in a separate Development Fee Bylaw of the Municipality.
- 3.10.2** There shall be no development permit application fee for accessory buildings to a residential use, sign permits, licenses for home occupations or other forms of business licenses.
- 3.10.3** An applicant seeking a discretionary use approval shall pay the required fee: \$200.00 or shall pay the required fee as set out in a separate Development Fee Bylaw of the Village.
- 3.10.4** The Development Officer shall direct the applicant for a discretionary use, or carry out on behalf of the applicant, the advertisement of the proposed use by posting a notice of the application at the entrance to the property in question and by mailing a copy of the notice to the assessed owner of each abutting property and each assessed owner of property within a 75.0 meter radius of the proposed development.
- 3.10.5** The Development Officer shall publish a notice of the application in accordance with the provisions of *The Planning and Development Act, 2007*, whereby the applicant shall pay to the Municipality a fee equal to the costs associated with the public advertisement.

### **3.11 FEE FOR ZONING AMENDMENT APPLICATION**

When an application is made to Council for an amendment to this Bylaw, the applicant making the request shall bear the actual cost of advertising such zoning amendment as permitted by *The Planning and Development Act, 2007*. Council also may require the applicant to pay all costs incurred in a professional review of the application and in carrying out a public hearing.

### **3.12 CONCURRENT PROCESSING OF DEVELOPMENT PERMITS, BUILDING PERMITS AND BUSINESS LICENSES**

- 3.12.1** A Building Permit, where required, shall not be issued unless a Development Permit has been issued, or is issued concurrently. Nothing in this Bylaw shall exempt any person from complying with a building Bylaw, or any other Bylaw in force within The Municipality, or from obtaining any permission required by this, or any other Bylaw of The Municipality, the Province or the Federal Government.
- 3.12.2** The development permit shall take the form of a stamp affixed to the required building permit, sign permit, or portable sign license. On the case of application for licenses for home-based

businesses or other forms of business licenses, the issuance of a business license shall also constitute the issuance of a development permit.

### **3.13 REFERRAL UNDER THE PUBLIC HEALTH ACT**

The Development Officer shall make available, in addition to plumbing permits and plan information, a copy of all approved Development Permit applications involving installation of water and sanitary services, should such information be requested by provincial officials under *The Public Health Act and Regulations*. The developer shall, at their own expense, provide suitable water supply and sewage disposal facilities for that development acceptable to Council and meets *The Public Health Act and Regulations* requirements.

### **3.14 DEVELOPMENT APPEALS BOARD**

**3.14.1** Council shall appoint a Development Appeals Board consisting of five members, to hear and determine appeals in accordance with Section 213 to 227 inclusive, of *The Planning and Development Act 2007*.

#### **3.14.2 RIGHT OF APPEAL**

- a. In addition to any other right of appeal provided by *The Planning and Development Act, 2007* and any other Act, a person affected may appeal to the Board if there is:
  - i. Alleged misapplication of the Zoning Bylaw in the issuance of a development permit.
  - ii. A refusal to issue a development permit because it would contravene the Zoning Bylaw;
  - iii. An issuance of a written order from the Development Officer.
- b. There is no appeal pursuant to 3.13.2.a.ii if a development permit was refused on that basis that the use in the Zoning District for which the development permit was sought:
  - i. Is not a permitted use or a permitted intensity of use;
  - ii. Is a discretionary use or discretionary use of intensity that has not been approved by resolution by Council; or
  - iii. Is a prohibited use.
- c. Appellants may appeal where they are of the opinion that development standards prescribed by Council with respect to a discretionary use exceed those necessary to secure the objectives of the Zoning Bylaw.
- d. An appellant shall make the appeal pursuant to 3.13.2.a within 30 days after the date of the decision.
- e. The Development Officer shall make available to all interested persons copies of the provisions of *The Planning and Development Act, 2007*, respecting decisions of the Development Officer and right of appeal.

### **3.15 MINOR VARIANCES**

**3.15.1** The Development Officer may vary the requirements of this Bylaw subject to the following requirements:

- a. A minor variance may be granted for the following only:
  - i. Minimum required distance of a building from a lot line; and
  - ii. The minimum required distance of a building from any other building on the lot.

- b. The maximum amount of a minor variance shall be 10% variation from the Requirements of this Bylaw.
  - c. The development must conform to all other requirements of this Bylaw.
  - d. The relaxation of the Bylaw requirement must not injuriously affect a neighbouring property.
  - e. No minor variance shall be granted for a discretionary use or form of development, or in connection with an agreement to rezone pursuant to Section 69 of *The Planning and Development Act 2007*.
- 3.15.2** An application form for a minor variance shall be in a form prescribed by the Development Officer and shall be accompanied by an application fee of \$50.00.
- 3.15.3** Upon receipt of a minor variance application the Development Officer may:
- a. Approve the minor variance;
  - b. Approve the minor variance and impose terms and conditions on the approval; or
  - c. Deny the minor variance.
- 3.15.4** Terms and conditions imposed by the Development Officer shall be consistent with the general development standards in this Bylaw.
- 3.15.5** Where a minor variance is refused, the Development Officer shall notify the applicant in writing, providing reasons for the refusal.
- 3.15.6** Where a minor variance is approved, with or without terms, the Development Officer shall provide written notice to the applicant and to the assessed owners of the property having a common boundary with the applicant's land that is the subject of the approval.
- 3.15.7** A decision to approve a minor variance, with or without terms and conditions, does not take effect:
- a. In the case of a notice sent by regular mail, until 23 days from the date the notice was mailed; or
  - b. In the case of a notice that is delivered by personal service, until 20 days from the date the notice was served.
- 3.15.8** If an assessed owner of a property having an adjoining property with the applicant's land objects to the minor variance in writing to the Development Officer within the prescribed 20 day time period, the approval is deemed to be revoked and the Development officer shall notify the applicant in writing:
- a. Of the revocation of the approval; and
  - b. Of the applicant's right to appeal the revocation to the Development Appeals Board within 30 days of receiving the notice.
- 3.15.9** If an application for a minor variance is refused or approved with terms or conditions, the applicant may appeal to the Development Appeals Board within 30 days of the date of that decision.

**3.15.10** The Development Officer shall maintain a record of all minor variance applications.

### **3.16 NON-CONFORMING BUILDING USES AND SITES**

**3.16.1** Any use of land or any building or structure lawfully existing at the time of passing this Bylaw that is rendered non-conforming by the enactment of this Bylaw or any subsequent amendments, may be continued, transferred, or sold in accordance with provisions of Section 88 to 93 inclusive, of *The Planning and Development Act, 2007*.

**3.16.2** No enlargement, additions, or reconstruction of a non-conforming use, building or structure shall be undertaken, except in conformance with these provisions

**3.16.3** No existing use, building or structure shall be deemed to be nonconforming by reason only of the conversion of this Bylaw from the Metric System of Measurement to the Imperial System of Measurement where such non-conformity is resultant solely from such change and is reasonably equivalent to the metric standard herein established.

**3.16.4** Where a building has been erected on or before the effective date of this Bylaw on a site having less than the minimum dimensions or area, or having less than the minimum yards required by this Bylaw, the use may be continued and the building may be enlarged, reconstructed, repaired or renovated pursuant to the rights granted by Section 91 to 93 of *The Planning and Development Act, 2007*. These rights are subject to the following:

- a. The enlargement, reconstruction, repair or renovation does not further reduce the required yards that do not conform to this Bylaw;
- b. All other applicable provisions of this Bylaw are satisfied; and
- c. Issuance of a development permit required by this Bylaw.

### **3.17 ZONING BYLAW COMPLIANCE CERTIFICATE**

**3.17.1** The Development Officer may issue a Zoning Bylaw Compliance Certificate for any use, building or structure which is in conformance with this Bylaw or is deemed to be legal non-conforming use, building, or structure.

**3.17.2** The applicant for a Zoning Bylaw Compliance Certificate shall provide the Development Officer with any information that may be required, including information on the existing and past use of the land or buildings on the property, and a real property prepared by a registered Saskatchewan Land Surveyor where applicable.

**3.17.3** The application fee for a Zoning Bylaw Compliance Certificate shall be \$150.

### **3.18 DEVELOPMENT PERMIT – INVALID**

A development permit shall be automatically invalid and development shall cease, as the case may be:

- a. If the proposed development is not commenced within the period for which the Permit is valid;
- b. If the proposed development is legally suspended, or discontinued, for a period of six or more months, unless otherwise indicated by Council or the Development Officer;
- c. When development is undertaken in contravention of this bylaw, the Development Permit and specified development standards, and/or

- d. When a written appeal notice is received by the Development Appeals Board secretary regarding the Development Permit.

### **3.19 CANCELLATION**

Council or the Development Officer may cancel a Development Permit, and when cancelled, development shall cease:

- a. Where the Development Officer or Council is satisfied that a development permit was issued based on false or mistaken information;
- b. Where new information is identified pertaining to environmental protection, flood potential, or slope instability; and/or
- c. When a developer requests a development permit modification.

### **3.20 STOP-WORK**

The Development Officer may authorize action to stop any development which does not conform to this Bylaw, a development or servicing agreement, a Development Permit or condition, or a caveat under this Bylaw.

### **3.21 BYLAW COMPLIANCE**

Errors and/or omissions by any person administering or required to comply with the provisions of this Bylaw do not relieve any person from liability for failure to comply with the provisions of this Bylaw.

### **3.22 LIABILITY INSURANCE**

Council may require developers to provide and maintain liability insurance to protect the Municipality, developer and public.

### **3.23 REGISTERING INTERESTS**

**3.23.1** As per Section 175 of *The Planning and Development Act, 2007* the Municipality may register an interest based on a development levy agreement or servicing agreement in the land registry against the affected title.

**3.23.2** On registration of an interest based on a development levy agreement or servicing agreement, the rights and privileges in the development levy agreement:

- a. Enure to the benefit of the municipality; and
- b. Run with the land and are binding on the registered owner of the land the registered owner's heirs, executors, administrators, successor and assigns.

### **3.24 MOVING OF BUILDINGS**

No building shall be moved within or into or out of the area covered by this Bylaw without obtaining a Development Permit from the Development Officer, unless such building is exempt under Section 3.4 of this Bylaw.

### **3.25 TEMPORARY DEVELOPMENT PERMITS**

The Development Officer may issue a temporary Development Permit, with specified conditions for a specified period of time, to accommodate developments incidental to approved construction,

temporary accommodation, oil and gas sector activities, temporary gravel operations or asphalt plants. Nothing in this Bylaw shall prevent the use of land, or the erection or use of any building or structure for a construction camp, work camp, tool shed, scaffold, or other building or structure incidental to and necessary for construction work on the premises, but only for so long as such use, building, or structure is necessary for such construction work as has not been finished or abandoned.

### **3.26 DEVELOPMENT LEVY AGREEMENTS**

**3.26.1** Council may pass a development levy bylaw pursuant to Section 169 to 170 of *The Planning and Development Act, 2007*, to establish development levies to recover the capital costs of services and facilities.

**3.26.2** As per Section 171 of *The Planning and Development Act, 2007*, if the Council deems it is necessary to do so, the Council or Development Officer may require the development permit applicant to enter into a development levy agreement with the Municipality respecting the payment of the development levies.

### **3.27 SERVICING AGREEMENTS**

**3.27.1** Where a development proposal involves subdivision, Council may require a developer to enter into a servicing agreement to ensure appropriate servicing pursuant to *The Planning and Development Act, 2007*. Council may direct the Administration to vary the agreement on a case-by-case basis, or not require it.

**3.27.2** In accordance with Sections 172 to 176 inclusive, *The Planning and Development Act, 2007*, the agreement may provide for:

- a. The undertaking and installation of storm sewers, sanitary sewers, drains, water mains and laterals, hydrants, sidewalks, boulevards, curbs, gutters, street lights, graded, graveled or paved streets and lanes, connections to existing services, area grading and levelling of land, street name plates, connecting and boundary streets, landscaping of parks and boulevards, public recreation facilities, or other works that Council may require, including both on-site and off-site servicing;
- b. The payment of fees that Council may establish as payment in whole or in part, for the capital cost of providing, altering, expanding or upgrading sewage, water, drainage and other utility services, public highway facilities or park and recreation space and facilities located within or outside the proposed subdivision and that directly or indirectly serve the proposed subdivision.

## **4. GENERAL REGULATIONS**

The following regulations shall apply to all Zoning Districts in the Bylaw.

### **4.1 LICENSES, PERMITS AND COMPLIANCE WITH OTHER BYLAWS AND LEGISLATION**

- 4.1.1** In their interpretation and application, the provisions of this Bylaw shall be held to be the minimum requirements adopted for the promotion of the public health, safety, and general welfare.
- 4.1.2** Nothing in this Bylaw shall exempt any person from complying with the requirements of a building regulation Bylaw or any other Bylaw in force within the Village of Borden or law within the Province of Saskatchewan or Canada; or from obtaining any license, permission, permit, authority, or approval required by this or any other Bylaw of the Village of Borden or any law of the Province of Saskatchewan or Canada.

### **4.2 PRINCIPAL USE ESTABLISHED**

In any Zoning District in this Bylaw, the principal use of the land must be established prior to any accessory buildings, structures, or uses being permitted.

### **4.3 MULTIPLE USES**

Notwithstanding anything contained in this Bylaw, where any land, building, or structure is used for more than one purpose, all provisions of this Bylaw relating to each use shall be complied with, but no dwelling shall be located within 3.0 meters of any other building on the site except to a building accessory to such dwelling. Accessory dwelling units attached behind, or located on top of a commercial use are exempt from this requirement.

### **4.4 USES PERMITTED IN ALL ZONING DISTRICTS**

- 4.4.1** Nothing in this Bylaw shall prevent the use of any land as a public street or public park.
- 4.4.2** Nothing in this Bylaw shall prevent the erection of any properly authorized traffic sign or signal, or any sign or notice of any local or other government department or authority.
- 4.4.3** Nothing in this Bylaw shall prevent the use of any land for the erection of buildings or structures, or the installation of other facilities, essential to the operation of public works.

### **4.5 NUMBER OF PRINCIPAL BUILDING ON A SITE**

- 4.5.1** Only one principal building shall be permitted on any one site except for the following: parks, schools, hospitals, healthcare clinics, recreation facilities, special care homes, senior citizen homes, shopping centres, mobile homes in mobile home courts, and approved dwelling groups and condominium developments.

## **4.6 ACCESSORY BUILDINGS, USES AND STRUCTURES**

- 4.6.1** Subject to all other requirements of this Bylaw, an accessory building, use or structure is permitted in any district when accessory to an established principal use which is permitted or discretionary use in that same district, and for which a development permit has been issued.
- 4.6.2** No accessory building may be constructed, erected or moved on to any site prior to the time of construction of the principal building to which it is accessory.
- 4.6.3** Where a building on a site is attached to a principal building by a solid roof or by structural rafters, and where the solid roof or rafters extend at least one third of the length of the building wall that is common with the principal building, the building is deemed to be part of the principal building.

## **4.7 FRONT YARD REDUCTION**

Notwithstanding the minimum depth of front yard required by this Bylaw, where a site is situated between two sites each of which contains a principal building which projects beyond the standard required front yard depth, the front yard required on said site may be reduced to an average of the two established front yards on the adjacent sites; but not be less than 4.5 meters in a Residential district unless otherwise permitted in this Bylaw.

## **4.8 FRONTAGE FOR IRREGULAR SITES**

Where the site frontage is along a cul-de-sac, curve or is irregular, the minimum site frontage shall be 11.0 meters and the mean site width shall not be less than the minimum frontage for regular sites in the same Zoning District.

## **4.9 PERMITTED YARD ENCROACHMENTS**

- 4.9.1** Where minimum front, side or rear yards are required in any Zoning District, the following yard encroachments shall be permitted.
- a. Uncovered and open balconies, terraces, verandas, decks, and patios may have a maximum projection from the main wall of 1.8 meters into any required front or rear yard.
  - b. Window sills, roof overhangs, eaves, gutters, bay windows, chimneys, and similar alterations may project a distance of 0.6 meters into any required yard.

## **4.10 GRADING AND LEVELLING OF SITES**

- 4.10.1** Every development shall be graded and leveled at the owner's expense to provide for adequate surface drainage that does not adversely affect adjacent property, or the stability of the land.
- 4.10.2** All excavations or filling shall be re-vegetated immediately after other construction activities conclude, with a suitable ground cover as may be necessary to prevent erosion.
- 4.10.3** All vegetation and debris in an area to be re-graded or filled must be removed from the site prior to site grading and leveling.
- 4.10.4** All topsoil from an area that is to be re-graded must be stripped, stockpiled, and replaced on the re-graded area, or re-located to a site approved by Council.

#### **4.11 HEIGHT OF BUILDINGS**

Where a maximum height of buildings is specified in any Zoning District, the maximum height shall be measured from average grade level to the highest point on the building exclusive of any chimney or antenna.

#### **4.12 HERITAGE PROPERTIES**

Provincial and Municipal heritage properties subject to preservation agreements are subject to development review processes as defined by *The Heritage Property Act*. Provincial designations are afforded special protection, and any alterations and development must be reviewed and approved by the Heritage Programs of the Province of Saskatchewan.

#### **4.13 LIGHTING OF SITES**

Outdoor lighting for all developments shall be located and arranged so that no direct rays of light are pointed at nearby properties, or interfere with the safe operation of nearby roadways or traffic control devices.

#### **4.14 CORNER VISIBILITY TRIANGLES**

On a corner lot in any Zoning District, no hedge, planting, tree, fence, or other structure not being a building shall be erected, placed, or maintained within the triangular area formed by the intersecting property lines and the straight line joining said property lines at points where are 6.0 meters distant from the point of intersection, measured along said property lines, to a height greater than 1.0 meter.

#### **4.15 SIGNAGE ON NATURAL AND HUMAN HERITAGE SITES**

Small plaques, markers, and interpretation signs will be encouraged on properties that have significant natural or human heritage resources, with the approval of the owner, and where the signage is appropriate in scale, design, and placement with the site and surrounding area, and does not cause safety concerns or negatively impact the heritage value of the site.

#### **4.16 BUFFER STRIPS**

Buffer strips are intended to improve land use compatibility and environmental quality by reducing noise, lighting glare and other nuisances, or facilitating natural drainage. Landscape buffers may be required to separate uses from adjacent properties, in which the approving authority will determine the size and width of the buffer.

#### **4.17 PROHIBITED AND NOXIOUS USES**

**4.17.1** Any use is prohibited which, by its nature or the materials used therein, is declared by *The Public Health Act and Regulations* to be a noxious trade, business, or manufacture.

##### **4.17.2 NOXIOUS USES**

Notwithstanding any use contained within a building, no land shall be used and no building or structure shall be erected, altered or used for any purpose that is noxious and, without limiting the generality of this subsection, for any purpose that creates or is likely to become a nuisance or offence, or both:

- a. By the creation of noise or vibration;
- b. By the emission of light and glare;

- c. By reason of the emission of gas, fumes, smoke, dust or objectionable odour;
- d. By reason of the unsightly storage of goods, wares, merchandise, salvage, refuse matter, motor vehicles, trailers or parts of vehicles or trailers, machinery, or other such material; and/or
- e. By any combination of things in this subsection.

#### **4.18 CLOSINGS**

In the event a dedicated street or lane shown on the Zoning District Map forming part of this Bylaw is closed, the property formerly in such street or lane shall be included within the Zoning District of the adjoining property on either side of such closed street or lane. If a closed street or lane is the boundary between two or more different Zoning Districts, the new district boundaries shall be the former centre line of the closed street or lane.

#### **4.19 SATELLITE DISHES**

- 4.19.1** Satellite dishes in excess of 1.0 meter in diameter shall not be located in any front yard, side yard, or and shall not be permitted to be erected on the roof of any principal building that is located within a Residential District that is less than three(3) stories in height.
- 4.19.2** Satellite dishes located in Residential Districts, which exceed 1.0 meter in diameter shall only be erected on the roof of an accessory building if said accessory building is located entirely within a rear yard; and
- 4.19.3** Satellite dishes may be erected in Commercial or Industrial Districts for communications purposes or re-broadcasting of television signals and subsection 4.17.1 shall not apply.

#### **4.20 PRIVATE GARAGES, SUNROOMS, SOLARIUMS AND GREENHOUSES**

Private garages, carports, sunrooms, solariums, and greenhouses attached to main buildings by a substantial roof structure shall be considered as part of the main building and shall be subject to the regulations for the main building.

#### **4.21 TRAILERS, BOX CARS, SEA AND RAIL CONTAINERS**

- 4.21.1** No person shall park or store on any part of a site, any unlicensed rail or sea container, truck, bus or coach body for the purpose of advertising or private warehousing within any Residential Zoning District.
- 4.21.2** Notwithstanding subsection 4.21.1, shipping containers may be temporarily placed on a site in any District:
  - d. During construction on a site when the shipping container is utilized solely for the storage of supplies and equipment that are used for the site, provided that a valid building permit has been issued for construction on the site. The shipping container must be removed from the site upon completed of the construction; or
  - e. For the purpose of loading and unloading of items associated with the principal use for a period of not more than 10 days.
- 4.21.3** When placed on site pursuant to subsection 4.21.2, the shipping container shall:

- 3.28 Be located so as not to create a safety hazard; and
- 3.29 Not be located within 1.2 meters of the interior edge of the side walk.

## **4.22 OUTDOOR STORAGE**

- 4.22.1** The outdoor storage or collection of goods and materials is prohibited in a front yard in any residential Zoning District.
- 4.22.2** Outdoor storage is permitted in a side or rear yard in a residential Zoning District only when the goods or material being stored are clearly accessory and incidental to the principal use of the property.

## **4.23 JUNK AND SALVAGE YARDS**

- 4.23.1** Junk and salvage yards shall be enclosed by an opaque or solid perimeter fence at least 2.0 meters in height, and not more than 5.0 meters in height, with no material piled higher than the height of the perimeter fence.
- 4.23.2** The perimeter fence shall not be located in the required front yard. The required front yard shall be used for no other purpose than landscaping and necessary access driveways to the site.

## **4.24 SWIMMING POOLS**

- 4.24.1** Notwithstanding anything contained in this Bylaw, a swimming pool is permitted as an accessory use to permitted uses in any Residential District or a motel (motor hotel) in a Highway Commercial District, to be located in the side yard or rear yard of any site if:
  - a. No part of such pool is located closer to any lot or street line than the minimum distance required for the principal building located on such lot; and
  - b. The maximum height of such pool is 1.2 meters above the average finished grade level of the ground adjoining the pool and to within 4.5 meters of such pool; and
  - c. Every swimming pool shall be enclosed by a non-climbable fence of at least 1.8 meters in height and not more than 10 cm from the ground, and located at a distance of not less than 1.5 meters from the pool; and
  - d. Any deck attached to or abutting a swimming pool shall be considered as part of the swimming pool.
- 4.24.2** Any building or structure, other than a dwelling, required for changing clothing or for pumping or filtering facilities, or other similar accessory uses, complies with the provisions in the applicable Zoning Districts in Section 5 of this Bylaw, respecting accessory buildings.

## **4.25 DISPOSAL OF WASTE**

- 4.25.1** Subject to all Acts and Regulations pertaining in any way to the storage, handling, and disposal of any waste material or used item, and except as permitted by these Acts and Regulations, no liquid, solid, or gaseous wastes shall be allowed to be discharged into any stream, creek, river, lake, pond, slough, intermittent drainage channel or other body of water, onto or beneath the surface of any land, or into the air.
- 4.25.2** No development or use of land which requires solid or liquid waste disposal facilities shall be permitted unless those facilities are approved by Saskatchewan Health and the Saskatchewan

Water Security Agency. Disposal of liquid, solid, or gaseous waste shall be governed by Acts administered by Saskatchewan Agriculture, Saskatchewan Environment, Saskatchewan Health and the Saskatchewan Water Security Agency.

#### **4.26 SOLID AND LIQUID WASTE DISPOSAL FACILITIES**

- a. The facility will be located as near as practical to the source of waste;
- b. The facility will have undergone satisfactory review as required by Provincial Authorities for environmental assessment and operational design;
- c. The facilities will be located at least 300 meters for liquid waste, and 457 meters for solid waste from any residence or recreational use;
- d. The development of any new disposal sites shall take into consideration seasonal winds;
- e. Adequate precautions shall be taken to prevent pollution of ground water by disposal operations;
- f. Solid waste disposal facilities shall be located in proximity to an all- weather road; and
- g. Council may apply special standards for screening, fencing and reclamation of the site.

## **5. DISCRETIONARY USE STANDARDS FOR DEVELOPMENT**

This Section addresses special provisions and specific development standards that apply to the following developments. These standards apply in addition to any standards of the District. In approving any discretionary use to minimize land use conflict, Council may prescribe specific development standards or criteria related to:

- Site drainage of storm water;
- The location of buildings with respect to buildings on adjacent properties;
- Access to, number and location of parking and loading facilities;
- Appropriate space for vehicle movement in order to reduce disruption of traffic flows on adjacent roadways;
- Control of noise, glare, dust and odour;
- Landscaping, screening and fencing to buffer adjacent properties.

### **5.1 HOME OCCUPATIONS**

- Home-based occupations and businesses will be accommodated provided that they are clearly secondary to the principal residential use of the dwelling unit, compatible with the surrounding residential area, and not of a size that provide services or products that would detrimentally affect the viability of the neighborhood.
- One home occupation shall be allowed per dwelling unit. Home occupations shall be conducted entirely within the dwelling or accessory building.
- One advertising display sign shall be allowed on the site or premise from which the home occupation is conducted. No illuminated signs shall be allowed.
- There shall be no exterior display or storage of any merchandise or material relating to the home occupation.
- No equipment or process used in the home occupation shall create dust, noise, vibration, glare, fumes, odour or air pollution that is detectable at or beyond the property lines of the lot where the home occupation or business is located.
- Up to two (2) persons other than a resident of the dwelling unit may be engaged in any home occupation as an employee or a volunteer.
- Parking: The home occupation shall not cause or add to on-street parking congestion or cause an increase in traffic through residential zones.
  - No more than one business vehicle, for which off-street parking is provided, shall be operated in connection with the home occupation.
  - Parking of vehicles of employees hired for off-site jobs shall not be allowed at or in the vicinity of the dwelling unit.
- All home based businesses are subject to a Permit Fee as outlined in Bylaw No. 2-80, A Bylaw to Classify, License, Regulate and Govern Businesses.
- All Business Permits issued for home occupations shall expire on December 31 of the year issued. Home occupations are subject to the condition that the permit may be revoked at any time if, in the opinion of Council, the use is or has become detrimental to the amenities of adjoining properties and the neighborhood.

## 5.2 SECONDARY SUITES

- Secondary suites may be constructed within a principal, single detached dwelling in a residential zone. Only one secondary suite is permitted on each residential site.
- Secondary suites must be located within the principal dwelling and must have a separate entrance from the principal dwelling either from a common indoor landing or directly from the exterior of the building. Secondary suites must contain cooking, eating, living, sleeping, and sanitary facilities.
- Secondary suites may not exceed 60 m<sup>2</sup> or 35% of the total floor space, including basements, and may not have more than two bedrooms.

## 5.3 MODULAR HOMES

- All modular homes shall be placed on a permanent concrete foundation at a standard comparable to a single detached dwelling.
- All modular homes shall be multi-modular, with the width approximately equivalent to the length;
- All modular homes shall complement adjacent and nearby dwellings;
- Modular homes shall be permanently connected to water and sewer services provided by the Municipality and permanently connected as available to other public utilities.
- All other requirements of this Bylaw apply.

## 5.4 BED AND BREAKFAST HOMES

- A bed and breakfast home may be located in a detached one unit dwelling or in a semi-detached dwelling. No exterior alterations shall be undertaken which would be inconsistent with the residential character of the building or property.
- Bed and breakfast homes shall be located in a single detached dwelling used as the operator's principal residence developed shall be licensed by the Ministry of Health.
- Required parking spaces may be permitted in a required front yard.
- One advertising display sign located on the site or premise advertising the bed and breakfast home is permitted. The facial area of a sign shall not exceed 0.5 m<sup>2</sup>.

## 5.5 DAY CARE CENTRES AND PRE-SCHOOLS

- Day care centres and pre-schools may be approved as an accessory use or as a principal use in their respective zoning district.
- In any Residential District, no exterior alterations shall be undertaken to a dwelling or former dwelling which would be inconsistent with the residential character of the building or property.
- Outdoor play areas shall comply with the *Child Care Act, 2000*.

## 5.6 ADULT DAY CARES

- Adult day care facilities may be approved as an accessory use or as a principal use.
- In any residential district, no exterior alterations shall be undertaken to a dwelling or former dwelling which would be inconsistent with the residential character of the building or property.
- Required parking spaces shall not be located in a required front yard.

## 5.7 RESIDENTIAL CARE HOMES

- Residential care homes may be approved as an accessory use or as a principal use in their respective zoning districts.
- In any Residential District, no exterior alterations shall be undertaken to a dwelling or former dwelling which would be inconsistent with the residential character of the building or property.
- No building or structure used for the purpose of a residential care home shall be used for the purpose of keeping boarders or lodgers.

## 5.8 CAMPGROUNDS

- The operator of a campground shall provide the Development Officer with a plan of the campground, identifying any buildings, uses of land and the location of all roadways and trailer coach or tent campsites with dimensions. The addition or rearrangement of campsites, the construction or moving of buildings, and material change in use of portions of land, or the filling or clearing of land shall require a Development Permit, and the operator shall submit for approval an amended plan incorporating the development.
- A campground shall have within its boundaries, a buffer area abutting the boundary of not less than 4.5 meters which shall contain no buildings.
- The operator of a campground shall designate a campsite for each trailer coach or tent party, which shall be less than 150 m<sup>2</sup> in area with its corners clearly marked.
- One permanent sign located on site advertising the campground is permitted per site;
  - The facial area of a sign shall not exceed 0.5 m<sup>2</sup> ;
  - No sign shall be located in any manner that may obstruct or jeopardize the safety of the public;
  - Temporary signs not exceeding 1.0 m<sup>2</sup> advertising the sale or lease of the property or other information relating to a temporary condition affecting the property are permitted.
- No portion of any campsite shall be located within a roadway or required buffer area.
- Each campsite shall have direct and convenient access to a developed roadway, which is not located in any required buffer area. The space provided for roadways within a campground shall be at least 7.5 meters in width. No portion of any campsite, other use or structure shall be located in any roadway.
- Each trailer coach shall be located at least 3.0 meters from any other trailer coach, and each campsite shall have dimensions sufficient to allow such location of trailer coaches.
- A campground may include as ancillary uses a laundromat or a confectionery designed to meet the needs of the occupants of the campsites, and one single detached dwelling for the accommodation of the operator.
- *The Public Health Act* shall be complied with in respect to all operations and development of the campground.

## 5.9 WIND ENERGY FACILITIES

- All buildings and structures shall be set back at least 90.0 meters from an intersection of any Municipal road allowance, or Provincial highway or such greater distance as required by the Department of Highways.
- The setback related to Municipal road allowances and the wind energy generator (turbine) shall be no less than the length of the blade plus 10.0 meters.
- The minimum site size for the allowance of any Wind Energy Facility shall be 2.0 hectares.

- The setback from the property line of a non-participating landowner to a wind energy generator (turbine) shall be no less than the length of the blade plus 10.0 meters, or a minimum of 38.0 meters, unless otherwise agreed to by the landowner, developer and the Municipality.
- The separation distance from a wind energy generator (turbine) to a Residential Acreage or Residential subdivision shall be a minimum distance of 550 meters.
- The maximum total tower height shall be:
  - 6.0 meters above grade level in a Residential Acreage or Industrial Zoning District and the maximum noise standard shall not exceed 40 decibels.
  - 45.0 meters above grade level in the Community Service or Future Urban Developmental Zoning District.
- Approaches for access roads to the wind energy facilities must be perpendicular to established road allowances.
- All infrastructure, roads and accesses required to facilitate the implementation of the wind energy facilities shall be proposed by the developer as part of the Development Permit application.
- Any proposed development within a municipal road allowance, i.e. underground lines or overhead poles/lines, must be proposed by the developer as part of the Development Permit application and adhere to the Rural Municipality road crossing policy.
- The developer is required to enter into a road use agreement with the Municipality for the construction period to ensure roads are maintained in condition agreeable by both parties.
- The wind energy generator (turbine) shall have no restrictions on colour or height.
- Substations are required to be fenced. All wind energy facilities shall be enclosed within a locked protective chain link fence of a minimum height of 1.85 meters and the design shall be included in the Development Permit application.
- Development and Building Permit applications for a Wind Energy Facilities shall include either a manufacturer's engineering certificate of structural safety or certification of structural safety via a Saskatchewan Professional Engineer.
- Sites having potentially dangerous or hazardous developments shall have visible signs stating any potential dangers. No hazardous waste shall be stored on the site
- Council, at its discretion, may seek approval of this development from both internal and external referral agencies.

## 5.10 TEMPORARY WORK CAMPS

- Temporary Work camps are an accessory use to an industrial or resource development.
- A Development Permit for a work Camp may be issued for up to 1(one) year, at which time an application must be made for the continuance of the use for 1(one) additional year, after which time a new Development Permit approval is required.
- An application for a Development Permit must provide the following information and a Concept Plan for the development:
  - The location, type and purpose of the camp;
  - Adjacent Land uses;
  - The method of supplying water and sewage and waste disposal to the camp. The proposed method of sewage disposal must comply with the Saskatchewan Onsite Waste Water Disposal Guide and in accordance with the Saskatchewan *Public Health Act*;
  - The number of persons proposed to live in the camp;
  - The method of providing garbage disposal and pest control in the camp;

- The start date for development, date of occupancy by residents and removal day for the camp.
- A Temporary Work Camp for accommodation purposes must be:
  - Linked to a specific project for which a valid and current Development permit has been issued and can only accommodate workers for this project;
  - Accommodate a minimum of twenty(20) persons and a maximum of three-hundred (300) persons;
  - Secured by the installation of appropriate fencing around the project accommodation and onsite security staff;
  - Provide adequate on-site parking for private vehicles; and
  - Separated (buffered) from adjacent land uses

## **12.5 SUPPLEMENTARY REGULATIONS**

- a. Council will consider the applications for discretionary use with respect to the following criteria:
  - i. The infrastructure servicing capacity is available to service the development without excessive impact on other uses being served by the system.
  - ii. The proposed development will be consistent with any concept plans in force in the area and will not be inconsistent with the future use and development plans of the Redberry Lake Biosphere Reserve District Sustainability Plan.
  - iii. The development will not require the development of new streets and utility lines except as may be provide for in existing plans under the Redberry Lake Biosphere Reserve District Sustainability Plan and that the proposal is not premature.
- b. Where a development is proposed at a location at which standard connection to the Village's existing sewer and water system is not feasible, the developer shall, at their own expense, provide suitable water supply and sewage disposal facilities for that development acceptable to Council and meets *The Public Health Act and Regulations* requirements. Domestic waste disposal systems located on the site and serving only the principal use will be a permitted use to that principal use.
- c. Any building or structure used for the habitation or shelter of animals permitted in this Zoning District shall be located a minimum distance of 76.0 meters from an occupied dwelling situated on an adjoining site.

## 13. FLOOD HAZARD OVERLAY (FH)

*The intent of this Overlay Area is to restrict development in areas that are considered hazardous for development in order to minimize property damage due to flooding. The following regulations are intended to apply supplementary standards for development in areas designated as flood hazard zones.*

### 13.1 DEFINING THE BOUNDARY

- 13.1.1** For all proposed development in this cautionary area, the developer shall be required to contact Saskatchewan Water Security Agency to determine the 1:500 year return frequency flood event and necessary freeboard.

### 13.2 SITE REGULATIONS IN THE FLOOD HAZARD LAND AREAS

- 13.2.1** Development of new buildings and additions to buildings in the floodway of the 1:500 year flood elevation of any watercourse or water body shall be prohibited.
- 13.2.2** If the development of new buildings or additions is approved in the flood fringe, flood-proofing to an elevation of 0.5 metres (1.6 ft.) above the 1:500 year flood event will be required.
- 13.2.3** Placement of off-site fill in the flood fringe should be limited to that required for flood-proofing or flood risk management, in order to minimize displacement.
- 13.2.4** For a proposed development located within the flood fringe, Council may require the developer to undertake a flood study carried out by a qualified professional. The study shall determine the 1:500 flood elevation including the floodway and the flood fringe areas and any potential impacts and mitigative measures of the proposed development.
- 13.2.5** “Hazardous Substances and Waste Dangerous Goods” are prohibited, as defined by the *Hazardous Substances and Waste Dangerous Goods Control Regulations* of the *Environmental Management and Protection Act* of Saskatchewan.

### 13.3 FLOOD PROOFING REGULATIONS

- 13.3.1** A development permit shall not be issued for any land use, erection, alternation or use of any building or structure within the Flood Hazard Overlay area unless the site/development meets approved flood proofing measures 0.5 metres (1.64 ft.) above the 1:500 flood design elevation.
- 13.3.2** Any existing buildings may be replaced or expanded subject to appropriate flood proofing measure being provided.
- 13.3.3** For the purpose of this Bylaw, appropriate flood proofing measure shall mean:
- That all buildings shall be designed to prevent structural damage by flood waters;
  - The first floor of all buildings shall be constructed above the designated flood design elevation; and,
  - All electrical and mechanical equipment within a building shall be located above the designated flood design elevation.
